

# MEET OUR TEAM AT ASPIRE

**JESSICA HAGARTY**  
EDUCATIONAL THERAPIST

Hey there! My name is Jessica and I'm so glad to be introducing myself to you all. I will be working in one of the Beginnings classes this year. I have always enjoyed working with children; helping them learn and grow while having fun!

## EDUCATION

I have completed the Early Childhood Educator program as well as the Autism and Behavioural Science grad certificate program. I have lots of experience working with kids and in other educational settings.

## FUN FACT ABOUT ME

With having MS now for about 13 years, I know that there is more than one way to learn and do most things!

## I LOVE WORKING IN EDUCATION BECAUSE

... I truly enjoy guiding children to reach their full potential!

## MY FAVOURITE THINGS

- Spending time with my cousins
- Listening to music
- Training my service dog Blaze (helps with mobility outside of work for my MS)
- Cuddling my pets
- cooking

## IM MOST EXCITED

...to be employed at Aspire as it truly is a wonderful place. I hope to grow and learn here for many years.

## WORDS OF INSPIRATION

"We all reach the same goals, perhaps just differently"

SEE YOU IN  
**SEPTEMBER**
