

MEET OUR TEAM AT ASPIRE

MADELYN MCDONALD

TEACHER

I couldn't be more excited for this coming school year! Last year I taught language, social studies and history/geography in both the Junior and Intermediate classes, but I'm very excited to be in the Junior class this year teaching all subjects! Something that new students should know about me is that I tell a lot of amazing jokes that I like to call "Mad jokes!" (see what I did there)"

EDUCATION

I hold a Bachelor of Arts in Psychology with a minor in History and Geography as well as a Bachelor of Education (Junior/intermediate/Senior Division), Geography - both from Nipissing University.

FUN FACT ABOUT ME

I share the same birthday as my mom and brother.. and no my brother and I aren't twins!

I LOVE WORKING IN EDUCATION BECAUSE

...there is never a dull moment and the students make coming to work every day so much fun! I also love the ability to adapt content to create fun lessons for students to engage with because I believe that is where the best learning happens. Lastly, I love seeing the progress students make!

MY FAVOURITE THINGS

- Baking
- Hiking
- Camping
- Organizing
- Travelling

IM MOST EXCITED FOR

...all the spirit days at Aspire this year. They are always so much fun because the students and staff all participate and give Aspire even more of a community feeling that it already has!

WORDS OF INSPIRATION

"In learning you will teach, an in teaching you will learn". As an educator, I believe that we learn and grow together. I love being a lifelong learner!
