

MEET OUR TEAM AT ASPIRE

CURTIS BOYER
EDUCATIONAL THERAPIST

Hello! I'm Curtis and I'm thrilled to be working at Aspire Academy in the Junior and Intermediate classrooms this year.

EXPERIENCE

I taught internationally in the UK for two years, spending lots of time on phonics, math and life skills. I've also worked at an alternative school in Kanata, supporting learners with reading, writing and communication.

FUN FACT ABOUT ME

I am passionate about languages and am currently learning Scottish Gaelic in my free time.

I LOVE WORKING IN EDUCATION BECAUSE

...I feel that I am able to relate to students who struggle because I struggled a lot as a child in school. I hope to make a meaningful difference in the lives of those I work with while they go through their educational journey.

MY FAVOURITE THINGS

- Reading and writing in a large array of genres
- Reorganizing my books
- Linguistics, phonology, pragmatics and speech production
- Playing strategy board
- Games and card games

IM MOST EXCITED ABOUT

...working with other passionate and dedicated educators to help our learners achieve their goals!

WORDS OF INSPIRATION

"You don't pass or fail at being a person"

- Neil Gaiman, The Ocean at the end of the Lane

SEE YOU IN
SEPTEMBER
