

MEET OUR TEAM AT ASPIRE

TONY HURD

TEACHER

I'm very happy to be returning to Aspire for my second year. I was the Grade 1-3 teacher last year and will be teaching the same again this year.

EDUCATION

I have been involved in education for the past 20+ years as a classroom teacher, teacher trainer, curriculum designer and school manager. I spent most of my career teaching overseas but I have also taught in Ontario and Quebec.

FUN FACT ABOUT ME

I briefly took time off teaching when I decided to sell cars at Nissan but really missed being in the classroom.

I LOVE WORKING IN EDUCATION BECAUSE

...it gives me the chance to be creative and engage the students in learning. There is never a dull moment in a classroom and I love the challenge of keeping things interesting. I also love the places that my education has taken me and the people I've had the chance to meet.

MY FAVOURITE THINGS

I'm a huge Liverpool Football Club supporter and love most sports in general. During the summer, I play a lot of golf and won my club's "B" flight championship this summer.

IM MOST EXCITED TO

...meet my new students and look forward to watching them grow this year. I'm also excited to integrate technology into my class because it's rewarding to see the students engage in things like video production and coding.

WORDS OF INSPIRATION

"The more you read, the more things you will know.
The more you learn, the more places you'll go"
- Dr. Suess
