HAYLEY VAN ALLEN

LEAD THERAPIST

Hello, I'm Hayley! I'm super excited to be the Lead Therapist in one of the Beginnings classes this year. I have been working at Aspire for a year now and have loved it! I can't wait to meet everyone this year and get started!

EDUCATION

I completed my undergrad in Sociology then completed the Autism and Behavioural Science (ABS) graduate certificate program. I also have a background in Early Start Denver Model and ABA/IBI. I hope to do my Master's in the future.

FUN FACT ABOUT ME

I love to dance! I used to dance competitively when I was growing up. I also love to travel and lived in California and Texas when I was little.

I LOVE WORKING IN EDUCATION BECAUSE

...it is very rewarding and I love working with children. I love watching the students grow and seeing the smiles on their faces every day. My brother has autism. I've learned so much from him and the compassion and love that he shows me every day inspired me to start working in this field.

MY FAVOURITE THINGS

- Going on hikes
- Baking
- Dancing

IM MOST EXCITED TO

...see everyone grow! I have lots planned for this school year and can't wait for what's to come!
