

MEET OUR TEAM AT ASPIRE

HUNTER BOURGON

LEAD THERAPIST

My name is Hunter and I'm the Lead Therapist of the Kinder class. I'm excited to meet the new faces joining Aspire this year and to welcome back previous students from their summer break. I'm passionate about ABA and love teaching so can't wait to start working with everyone and seeing them progress.

EDUCATION

I have a Bachelor's degree in Child Studies from Carleton University, with a minor in Disability Studies and have completed ABA coursework at the Florida Institute of Technology. I'm working towards my BCaBA certification.

FUN FACT ABOUT ME

I have 5 siblings (2 older sisters and 3 younger brothers), so I grew up in a very busy family!

I LOVE WORKING IN EDUCATION BECAUSE

I'm passionate about working with kids and helping them grow and learn. I take so much pride in watching children progress and develop, and I love being part of their learning journey!

MY FAVOURITE THINGS

- Animals
- Playing volleyball
- Taking naps
- Binge watching a show (...OR 5!)
- Going to the cottage
- Hanging out with family and friends

IM MOST EXCITED TO

see the kids continue to grow/learn. I love seeing how much they can progress in such a short time and how much they come out of their shells and let their personalities shine!

WORDS OF INSPIRATION

"He's not giving me a hard time, he's having a hard time". This quote resonates with me because I always strive to meet children where they are, with understanding and empathy.
